Financial Assistance

Some financial assistance is available for families who otherwise cannot afford Religious Education. In cases of financial hardship, a family may apply to pay their fees on a Payment Plan or request Financial Aid. To apply for a Payment Plan or Financial Aid, the following must be fulfilled:

- The student and family must be registered parishioners of St. Madeline Parish.
- Once your application is reviewed, you will be informed whether or not you qualify for financial aid, and if so, in what amount. If you do not qualify, you will be responsible to pay the full amount.
- You must re-apply for financial assistance each year in which it is needed.
